THE INNOVATORS OF COMFORT™

With neat proportions, Stressless® Fiona has beautifully simple lines with a modern sloping back. Choose from traditionally upholstered arms, elegant wood detailing or a more modern look with steel. The large selection of upholstery choices, wood and steel finishes, means you can put together a lounge that perfectly compliments your existing interior design.

### A choice of three arm options

Wooden

Metal

Upholstered

When you sit down in a fixed back sofa with ComfortZones™ the back part of the cushion will give in more than the front part of the cushion. As a result of this, the seat cushion will angle slightly, giving you a comfortable position of your legs while seated.
