## The RODGERS difference

**There's something magical about walking into a home furnishings store where people genuinely care about helping to find the products that are right for you.**

We think that great service is about giving you the freedom to browse and explore, allowing you the time to relax into that special sofa, dream on a new bed, find your feet on flooring, or get stylish with some interior design. It's about having a helping hand there when you need one. **You want to plan at your own pace** without feeling pressured.

**When you have questions there is an advisor on hand, guiding you to the perfect product at the right price.**

**Everything under one roof...**

Whether you require a sumptuous sofa a blissful bed, distinctive dining furniture or some fabulous flooring we have everything you need to create stylish interiors all under one roof.

### Our hassle free approach...

Unlike many other businesses, Rodgers do not operate on a commission basis, so all the Rodgers team are simply here to offer advice when you need it and leave you to browse in peace.

### Our own delivery team...

When we say from our home to yours, we mean it. The Rodgers delivery team will ensure that your purchased items are delivered and installed safe and sound in your home.

### The cherry on the cake...

We know that designing your perfect interior can be a tricky business. So why not take a break in the Rodgers Tea Room for a well earned drink and maybe one of our delicious freshly made cakes?
